

**221B HW #1, due Jan 21 (Fri), 4pm**

Answer the following questions by *email* to `mcargo@socrates.Berkeley.EDU` and `murayama@physics.berkeley.edu`.

- (a) Name, SID, Department
- (b) Graduate or undergraduate?
- (c) If you have not taken 221A, where and when you took its equivalent.
- (d) If you are already involved in research, what is the area and who is the supervisor.
- (e) What were the subjects in 221A (or its equivalent) that left you uneasy or confused?
- (f) If you have taken 221A, was there any technical problem associated with the access to Mathematica or its use.
